DEAR PARENTS:

Student Learning

The teaching staff has made great progress towards choosing a learning goal for the school to take us through to Christmas. As of now, we are creating a plan to focus intently on developing the students' revision skills in writing. Even more specifically, we intend to move students forward in their ability to make revisions to improve the content, clarity and interest of a paragraph they have written.

Cross Country

Congratulations to our Cross Country runners! We had amazing participation and results at the Pat Cook Run at St. Mike's in Stratford as well as the system meet at Ben Miller on Wednesday. Thank you to Mrs. Anderson and Mrs. Jordan for preparing the runners so well. We also appreciate the support of all parents for cheering us on in Stratford.

Eco-School Update

On Friday, October 16, our students will participate in a presentation around recycling. We will learn more about what we are permitted to recycle here at school. Our students are amazing leaders in recycling, acting as stewards of creation and our Eco-School actions. Be sure to ask them what they learned from Friday's presentation.

Communication

Please know how valuable we consider your support and cooperation with us here at St. Patrick's. Your support of programming, fund raising, class trips, and charitable missions is appreciated and impressive. As the school year progresses please contact Dan Gracey if a request for financial support has become a challenge.

CATYO Reg'n
